Re: Comments on EEC Exemption Working Group's Recommendations

Date: July 12, 2007

Title 30 V.S.A. §209(d)(4) requires the Board to establish a mechanism under which customers could apply for an exemption from paying some or all of the Energy Efficiency Charge ("EEC") amounts that they would otherwise owe.

On January 8, 2007, the Board issued an Order establishing the broad outlines of such a mechanism and creating a Working Group to provide recommendations to the Board on certain technical issues related to the mechanism.

On June 20, 2007, the EEC Exemption Mechanism Working Group filed its recommendations with the Board. These are posted on the Board's website at: <http://www.state.vt.us/psb/EEU/EECexemptionmechanism/EECexemption.htm>.

Any person wishing to comment on the Working Group's recommendations should do so on or before July 27, 2007. Persons should file one paper copy of their comments with the Clerk of the Board, and e-mail their comments to the attached EEU e-mail service list.
